

WHAT IS SÛZA?

WHAT WE BELIEVE

In the modern world, **digital consumerism** is **overpowering**—not because it dictates every choice we make, but because it **distracts** us at every turn. **Social media** is immensely useful, yes, but it is also **intentionally addictive**. You might open **YouTube** to **learn a new skill**, yet with one misplaced click you can find yourself pulled into an **hour-long scroll**.

This constant **diversion** is **damaging**: to our **productivity**, to our capacity for **critical thinking**, and to our ability to form **ideas** that are truly our own.

And **Sûza** is here to **fight** that, to **advocate** for and to **deliver** on a promise of **intentional living**. We encourage **habits** that help people reclaim **attention, time, and agency**.

Sûza is built on the idea of the *Republic of Heaven*. The belief that we must **build a better world now**, in our own lives, because for us, there is **nowhere else**.

WHY JOIN US?

Sûza is driven by a **vision** for a **better future**: a **kinder, fairer** society.

We **know** we have no real **authority**, but if we can show there is an **interest** in our **philosophy** - our **ideas** and way of **thinking**. Then we **can** make a **difference**.

By **joining Sûza** you gain access to a community of **like-minded** people **passionate** about **reconnecting** with the **things** that make us **human**.

We may be a **micronation**, but we're doing **more than playing** at governance, we're **experimenting** with **intentional living** in **practice**.

Even **small steps** matter. By being part of **Sûza**, you help show that a **better, more mindful** way of **living** is **possible**.

WHAT DO WE DO?

Between **Moots** (where we discuss **governance** and building our **community** further), we:

- Publish **The Shire-Post**, a bi-monthly newsletter
- Develop **Sûzan culture** and **traditions**
- Document our **experiments** and **ideas**

All participation is **voluntary**. We value **quality** engagement over **quantity**.

GET INVOLVED

You can get involved with **Sûza** by becoming a citizen!

There is **no mandatory involvement** once you've joined **however** we would **love** for you to attend our **Quarterly** 40-minute Moots.

To do so, please **email** the **Thain** at henleywilliam01@gmail.com to express your **interest**.
